**An open letter to all patients re: the retirement of Dr Richard Gill.**

Dear patients,

After 30 years of hard work and dedication at The Drayton Surgery, we are sad to announce that Dr Gill will be retiring as a Partner from April 21 as he reaches a 'magical' age.

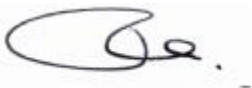

Between October 2020 and April 2021, Dr Gill will continue to help out with some NHS work during the COVID-19 pandemic, but will primarily be working as an Occupational Health Consultant for Drayton Medical Services Ltd.

We would like to publicly thank Dr Gill for his years of service and wish him all the best for his retirement.

We hope that next year, when COVID-19 restrictions lift, we will be able to offer patients a formal opportunity to celebrate his career and wish him well with his retirement.

We would also like to re-assure all patients who are registered with Dr Gill, that their ongoing care will not be affected by his retirement, and that they will be assigned a new named GP in due course.

With best wishes,

**Dr A Drake**

Managing Partner on behalf of the Partners of The Drayton Surgery

**Partners:** Dr R J Gill, Dr N P O'Rourke, Dr A J Drake, Dr V Cassidy, Dr M Swindells, Dr C Day

**Associate Doctors:** Dr E. SurrIDGE, Dr D Kerr, Dr S Parmar, Dr K Burton, Dr A MacDonald, Dr H Foakes
